## THE OHIO FIRE CHIEFS' ASSOCIATION

### 2018 CONFERENCE REPORT

#### Consulting Division

President Houk and members of the Association:

It is my pleasure to submit the Consulting Division report for the year ending June 30, 2018. Since last year's conference, the Consulting Division has received numerous inquiries regarding services available and other requests for assistance.

During the past year, the Consulting Division completed the following fire officer selection processes: Carrollton Village Fire Chief, Greenfield Township Fire Chief (Fairfield Co) and Liberty Township Fire Chief (Butler Co). Consulting projects completed over the past year include Monclova Township Fire Department Organizational Evaluation Update (Lucas Co), Jackson Township Fire Department Organizational Evaluation (Mahoning Co), and follow-up work on the formation of joint fire district in Hancock County. We also facilitated the development of a mission and vision for Scioto Township Fire Department (Pickaway Co), the Lebanon Fire Division and the West Carrollton Fire Department. We facilitated strategic planning for Clearcreek Fire District (Warren Co), Violet Township Fire Department (Fairfield Co), and the Middletown Fire Division.

Projects currently underway include three Fire Chief selection processes, one strategic planning process, one staffing and deployment analysis, one fire station location analysis, one EMS implementation study, one organizational evaluation and one joint fire district feasibility study. The upcoming year appears to be one of continued growth.

Respectfully submitted,

*RS Crosley*
