## THE OHIO FIRE CHIEFS' ASSOCIATION

### 2022 CONFERENCE REPORT

#### Consulting Division

President Kidd and members of the Association:

It is my pleasure to submit the Consulting Division report for the year ending June 30, 2022. During the past year, the Consulting Division completed the following fire officer search and selection processes: Portage Fire District Fire Chief (Ottawa County), Perry Township Fire Chief (Stark County), Miami Valley Fire District Fire Chief and Battalion Chief (Montgomery County), JSP Joint Fire District (Champaign County) and the City of Vermilion Fire Chief.

Consulting projects completed over the past year included: BST&G Fire District Fire Station Needs Assessment and Location Analysis (Delaware County), New Concord Fire Department Comprehensive Review and Staffing Analysis, and an Operational Evaluation and Fire District Feasibility Study for Carlisle, Franklin Township and JEMS (Warren County).

We also facilitated development of mission and vision statements for Truro Township Fire Department (Licking County) and the Englewood, Union and Clayton Fire Departments' Consortium. We are currently performing project management for the Shelby County Radio Communications Project and providing mentoring services for one chief officer.

Projects currently underway include two fire chief selection processes, one organizational evaluation, two staffing analyses, and one fire district feasibility study. The upcoming year appears to be one of continued growth.

Respectfully submitted,

*RS Crosley*
